---

Resident Evil Code: Veronica X is a game in the episodic survival horror series Resident Evil, first released for the PlayStation 2 in 2001. The series was created by Shinji Mikami, Resident Evil 3 features the short comic book of this game, but more importantly, it contains the four playable characters for the first time in the series, and it is considered a spin-off of the series (although its own game, it has elements of Resident Evil 4). Melissa's rape scene. It's okay, it's okay I'm fine, I'm OK. The survival horror series Resident Evil has gotten a lot of crap over the years for a few things. One of which was the rape scene that occurs in the second installment of the game, Resident Evil. Story-wise, Jill was raped by a masked man.
